

**The Town and Country Planning Act 1990**  
**Approval of Full Planning Permission with Conditions**

**Application Reference Number: PL/2024/01145**

**Decision Date: 23 April 2024**

**Applicant:** Mr & Mrs SE & JR Adams  
23 Fore Street Farm Back Lane, Great Hinton, Wiltshire,  
BA14 6BX

**Particulars of Development:** Conversion of existing linked barns to a single dwelling unit; the provision of a car port; associated works.

**At:** FORE STREET FARM, 23, GREAT HINTON,  
TROWBRIDGE, BA14 6BX

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

**Conditions:**

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

2294/201 (Proposed Layout Plans and Elevations) dated 12/2023

2294/202 Rev.B (Existing Site Location Plan and Proposed Site Block Plan with Car Port Details) dated 12/2023

Design and Access Statement (updated March 2024)

Ecological Impact Assessment (Ref: 2327-EcIA-Memo Rev 1.0) by Providence Ecological Ltd dated 03/01/2024

Structural Inspection Report (Project Ref: 2022-091, Document Ref: SE-01-001 Rev. 01) by Clegg Associates Ltd dated 06/2022

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended by the Town and Country Planning (General Permitted Development) (Amendment) (No.3) (England) Order 2020 (or any Order revoking or re-enacting or amending those Orders with or without modification), no development within Part 1, Classes A, B and D shall take place on the dwellinghouse hereby permitted.

REASON: In the interests of the amenity of the area, the setting of nearby listed buildings and to enable the Local Planning Authority to consider individually whether planning permission should be granted for extensions/enlargements to the dwellinghouse.

- 4 All soft landscaping comprised in the approved details of landscaping shall be carried out in the first planting and seeding season following the first occupation of the building(s) or the completion of the development whichever is the sooner; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, within a period of five years, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local planning authority. All hard landscaping shall also be carried out in accordance with the approved details prior to the occupation of any part of the development or in accordance with a programme to be agreed in writing with the Local Planning Authority.

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

- 5 Prior to the dwelling hereby approved being brought into use, the biodiversity enhancement features as detailed in the approved Ecological Impact Assessment shall be implemented in full (unless the local planning authority gives written consent to any variations) and these features shall continue to be available for the target species for the lifetime of the development.

REASON: To provide enhancement for biodiversity.

- 6 The development hereby permitted shall not be first brought into use until the first five metres of the access, measured from the edge of the carriageway, has been consolidated and surfaced (not loose stone or gravel). The access shall be maintained

as such thereafter.

REASON: In the interests of highway safety.

- 7 Any gates shall be set back 4.5 metres from the edge of the carriageway, such gates to open inwards only, in perpetuity.

REASON: In the interests of highway safety.

- 8 No part of the development shall be first brought into use, until the visibility splays shown on the approved plans (2.4m by 43m in both directions to the nearside carriageway edge) have been provided with no obstruction to visibility at or above a height of 900mm above the nearside carriageway level. The visibility splays shall be maintained free of obstruction at all times thereafter.

Reason: In the interests of highway safety.

- 9 The dwelling hereby approved shall not be occupied until a scheme for the discharge of surface water from the site (including surface water from the access/driveway), incorporating sustainable drainage details, has been submitted to and approved in writing by the Local Planning Authority. The development shall not be first occupied until surface water drainage has been constructed in accordance with the approved scheme.

REASON: To ensure that the development can be adequately drained.

### **Informatives:**

Any alterations to the approved plans, brought about by compliance with Building Regulations or any other reason must first be agreed in writing with the Local Planning Authority before commencement of work.

The applicant is requested to note that this permission does not affect any private property rights and therefore does not authorise the carrying out of any work on land outside their control. If such works are required it will be necessary for the applicant to obtain the landowners consent before such works commence.

If you intend carrying out works in the vicinity of the site boundary, you are also advised that it may be expedient to seek your own advice with regard to the requirements of the Party Wall Act 1996.

The barn at Fore Street is used as a bat roost. Under the Conservation of Habitats and Species Regulations 2017 (as amended), it is an offence to harm or disturb bats or damage or destroy their roosts. Planning permission for development does not provide a defence against prosecution under this legislation. The applicant is advised that a European Protected Species Licence may be required before any work is undertaken to implement this planning permission. Future conversion of the roof space to living accommodation or replacing the roof could also breach this legislation and advice should be obtained from a professional bat ecologist before proceeding with work of this nature.

The habitat within the proposed development site and the surrounding area is suitable for roosting, foraging and commuting bats. An increase in artificial lux levels can deter bats which could result in roost abandonment and/or the severance of key foraging areas. Artificial light at night can have an adverse effect on biodiversity. Any new lighting should be for the purposes for safe access and security and be in accordance with the appropriate Environmental Zone standards set out by the Institute of Lighting Engineers in their publication GN01:2021, 'Guidance for the Reduction of Obtrusive Light' (ILP, 2021), and Guidance note GN08/23 "Bats and artificial lighting at night", issued by the Bat Conservation Trust and Institution of Lighting Professionals.

The applicant should note that it is a criminal offence to obstruct a public right of way under section 137 of the highways Act 1980 and therefore no materials, plant, temporary structures or excavations of any kind should be deposited / undertaken which obstruct or adversely affect the public right of way GHIN15 whilst development takes place, without prior consultation with, and the further permission of, the highways authority at Wiltshire Council.

The applicant should note that no gates, fences or stiles should be erected across the public right of way without prior consultation and approval from the Countryside Access Officer (contact [rightsofway@wiltshire.gov.uk](mailto:rightsofway@wiltshire.gov.uk)). Unauthorised structures across a right of way are an obstruction and gates may only be authorised for the control of stock under section 147 of the Highways Act 1980.

The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition,

you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to the Council's Website <https://www.wiltshire.gov.uk/dmcommunityinfrastructurelevy>.

## NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
  - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
  - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
  - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
  - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <http://www.planningportal.gov.uk/planning/appeals>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. [climate@wiltshire.gov.uk](mailto:climate@wiltshire.gov.uk)
- 4 **CIL.** The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. A separate Community Infrastructure Levy Liability Notice will be issued by the Local Planning Authority. Should you require further information with regards to CIL please refer to the Council's Website [www.wiltshire.gov.uk/planninganddevelopment/planningpolicy](http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy)
